**Nielen Schuman announces appointment Pieter-Jan Van de Walle as Partner Belgium**

We are delighted to announce the appointment of Pieter-Jan Van de Walle as Partner Nielen Schuman Belgium. Pieter-Jan will lead our Belgian office and together with our integrated team serve clients on their strategic mergers and acquisitions opportunities and capital raising needs to execute their strategic vision.

Pieter-Jan has a long standing presence in the Belgian M&A market, having previously worked as managing director at Degroof Petercam and BNP Paribas. Over the years, he has built a strong track record in advising a diversity of entrepreneurs, family businesses, family offices and private equity clients on their crucial strategic and financial assignments. His determination to deliver the best outcome for both our clients and our team aligns with Nielen Schuman's values and ambition and we look forward to working with Pieter-Jan as our Partner in Belgium.

The appointment reiterates the importance of the Belgian M&A and capital raising market to Nielen Schuman. The firm has been advising clients in Belgium for over 12 years and has had an office in Antwerp since 2016.

**About Nielen Schuman**

Nielen Schuman is a leading independent corporate finance advisory boutique in the Benelux. Established in 2002, our firm has extensive experience in providing corporate finance advisory and execution services to a broad range of medium to large sized business owners, corporations, institutions, management teams and investors. Our suite of services encompasses mergers & acquisitions, strategic advisory, capital raising, capital restructuring, and related advisory services. Nielen Schuman has offices in Amsterdam and Antwerp.
